

GRIT WELCOME KIT

This Parent Guide and Welcome Kit is your source for all Camp Information!

The GRIT team has been working hard to ensure we comply with the latest NJ Department of Health and CDC guidelines to provide your camper with a SAFE, SMART, ACTIVE, and OUTDOOR Summer Day Camp experience full of fun activities, sports, STEM/STEAM, and arts and crafts!

You will find all the information needed to prepare for camp enclosed. Of course, if you have any questions, don't hesitate to reach out.

GRIT runs from June 10th to September 6th*. Unlike other camps, we aim to provide you with the optionality and flexibility you need to ensure your campers have a great summer.

Our Inflation-Busting summer is designed to provide a fantastic summer camp experience. GRIT has kept its camp price the same and provides more value than other camps!

GRIT provides the flexibility to choose the days you need, more sports, including swimming for campers ages 6+, and lunch options with different vendors—all for the same price as when we opened five years ago!!

While other camps don't open until the end of June or pack up for the summer in mid-August, GRIT is here for you. Remember, when schools are closed, **GRIT is OPEN!**

GRIT has no minimum day requirements, offering you both Full-Day and Half-day camp and extended hours as needed.

Please note that camp is FILLING UP! We are prioritizing our remaining availability to our GRIT community first.

If you need an extra day here or a week there, **please email us at info@gritsportstraining.com**, and we will do everything we can to accommodate your needs.

Do you have a friend joining your camper? We will make sure to put them on the same team at camp!

Get ready for a great summer!

Peyton Kay
Camp Director, GRIT

WHAT DO I NEED TO DO BEFORE CAMP?

To ensure your child is ready for camp, please send the following to GRIT before your first day of camp per NJ Department of Health Camp Guidelines.

❑ **SIGN Acknowledgement of Liability and Safety Waivers on the GRIT Member Portal**

When you registered for camp on our website, you were asked to sign a series of waivers. You should have put your name after each waiver when you registered. To make sure you did, you can log into your account (on HiSawyer, our software provider) to review your account and make sure your contact, emergency contact, and waivers are all signed.

Simply go to <http://www.gritsportstraining.com> and click on the "MEMBER LOGIN" on the bottom left-hand corner. This will take you to your personal account page in HiSawyer and you will be able to check if you signed all the waivers and your emergency contact information is correct. If you signed up in person, you will be sent a link to sign a waiver form before your camper comes to GRIT.

❑ **Upload Medical Information to the GRIT Member Portal.**

The State of NJ requires that all summer camps have the following information:

- a. **STANDARD MEDICAL INSURANCE FORM-** This provides your medical insurance information and allows us to treat your camper quickly in the event of an accident or injury (see form at end of packet)
- b. **MEDICAL HISTORY FORM** – This is a standard form that you can receive from your pediatrician OR you can use the form at the end of this document and sign it yourself.
- c. **VACCINATION RECORDS** - Your pediatrician can provide you with a standard form (the same one you send to school each year).

If you have any issues uploading these documents to your account, simply scan and send them to info@gritsportstraining and we will add them to your account for you.

NOTE: All waivers and forms must be signed before your camper's first day of camp!

- ❑ **Camp Gear!** Make sure to check the Summer Camp checklist before attending! And let us know your T-shirt size. GRIT Camp T-shirts are a hot commodity each summer, and our campers love them. We provide 1 shirt per child at the beginning of their camp session. The member portal allows you to pick the shirt size for your campers. If you ordered extra shirts, we will provide the same size for the additional shirts you ordered. Need more shirts? You can buy them at camp or choose from a range of GRIT SWAG at our **Pack for Camp** store [here](#) where you will find t-shirts, sweatshirts, water bottles, and more!

FREQUENTLY ASKED QUESTIONS:

WHEN IS CAMP?

GRIT Adventure Camp and GRIT Explorer Camp runs from June 10th to September 5th. So, when your school closes for the summer, GRIT will be open until your campers are ready to go back to school.

GRIT offers Full Day and Half-day camp options:

Full-day Camp runs from **9:00am to 4:30pm.**

Morning Half Day Camp camp is 9:00am to 1:00pm

Afternoon Half Day Camp is from 1:00pm to 4:30pm.

AFTER CAMP CLASSES

GRIT also runs a summer class schedule after camp. Wednesdays are Basketball days, and Tuesdays and Thursday evenings are for those who want to improve their Parkour+ Ninja training. And Saturday mornings are Skateboarding! See our website for details.

JEI LEARNING CENTER

Worried about your camper falling behind in learning over the summer? The JEI Learning Center is the perfect place for those looking to give their campers an edge in math and reading/writing when they head to school in the fall. Tailored, individualized enrichment programs that ensure your camper is ahead of their peers will be run as after-camp programs for an additional fee.

WILL MY CAMPER BE WITH OTHERS THEIR AGE?

Yes! We aim to group the campers by age and ability and have them do fun activities as a team each week. We will group the campers with their friends as requested, so if your child is coming with a friend, please let us know so we can ensure they are on the same team.

HOW MUCH TIME WILL THEY SPEND OUTDOORS?

Summer camp is really meant to be outdoors. While we have a large and well-ventilated facility, GRIT is the "base camp" for daily adventures to local parks and sports fields, weather permitting. Hamilton Park, Enos Jones Park, Gateway Park, Morris Canal Park, and Liberty State Park will be our playgrounds this summer.

WHEN IS THE SWIM PROGRAM?

Swimming at NJCU is a new addition to our Summer Camp activity schedule. On Tuesdays and Thursdays, full-day campers 6+ years of age will be bused to NJCU's John J. Moore Athletic Center for an afternoon of swimming and fun! The program is part of the camp, and there is no additional cost for full-day weekly campers. The swim program kicks off on June 25th and runs through August 22nd.

For campers 3-5 years old, Water Play activity will be on Tuesdays and Thursdays afternoons at Morris Square Park or a splash pad in a park nearby. In addition, if the weather is good, expect your camper to be wet on Friday afternoons as well for pickup, as we always have a water day on Friday afternoons (weather permitting).

WILL MY CHILD LEARN TO SWIM?

Our swimming program is designed to cater to all skill levels for campers ages 6+. It is run by NJCU's Aquatic Director, Coach Lee. NJCU-certified swimming instructors will introduce fundamental water skills, body positioning, and stroke development in a friendly and supportive setting. For experienced campers, a free swim period will provide a chance to practice the skills learned, have fun with friends, and enjoy a refreshing dip in the indoor pool.

HOW CAN I CHECK THE DAILY SCHEDULE?

GRIT has a rich daily activity schedule to keep camp fresh and interesting. Each week, we have a themed program that ends with a fabulously fun field day on Friday, with a field day in the morning, a pizza lunch, and water play in the park in the afternoon. To check out the daily schedule and camp news, please download the Bunk1 app.

WHAT HAPPENS IF IT RAINS?

Rain or shine, we are here to stay! Light rain and drizzle will not stop us from having fun! Adventure means being prepared! For those occasional heavy downpours or heavy rain, we have a series of fun, indoor activities – grouped by age- planned in our large multi-room space as well as two additional large indoor spaces nearby.

You will see that we have requested that a lightweight **rain poncho** is added to your child's backpack in case of rain. Rain Boots are fine for those days that it rains but please send your child also with a pair of sneakers on those so that we can keep their feet safe in the gym.

HOW DO I SIGN UP FOR ADDITIONAL WEEKS/DAYS?

If you need extra days or an extra week @ GRIT, simply contact us via the email below and we will help you register. Camp is already full for some weeks but we will find a way to accommodate you.

WHAT TYPE OF ENRICHMENT PROGRAMS DO YOU OFFER?

We believe in a strong mind and a strong body! Our educational partner, JEI Learning of Jersey City, is a well-respected academic enrichment program with over 1,000 locations globally. We love their personalized approach to learning, which focuses on mastering concepts rather than rote learning.

Let us know if you want your camper to take the JEI diagnostic test to determine their English or Math strengths and weaknesses free of charge. This test is normally \$75, but we will offer it to all GRIT campers for *free*. It comes with a detailed computerized diagnostic assessment of your child's strengths and weaknesses in math and/or English.

Each week, campers will focus on English, math, reading and writing, and critical thinking. We do this through fun and engaging projects and activities based on each week's theme, including writing a story, practicing speaking in public through storytelling, or competing in a chess tournament.

FREQUENTLY ASKED QUESTIONS (Cont.)

WHAT SHOULD WE PACK?

- **ONE BAG RULE** – Except for the 3-4-year-old campers, GRIT has a practical one-bag rule. Everything you bring to camp should fit in one backpack that is **clearly labeled with your camper's name**. Multiple bags mean items typically get lost and we don't want that. *For our 3-5 year-old campers, we suggest a separate bag clearly labeled with extra clothes – just in case!*
- **LUNCH/ SNACKS-** Please pack plenty of snacks and a healthy lunch for your campers in a proper container that does not need to be refrigerated, given that your camper might not be at GRIT during lunch but on an excursion or outing. Lunch & snacks should be packed in your camper's backpack when you drop them off for camp. No separate bags, please! ***NOTE:** We also strongly discourage parents from bringing lunch for their campers right before lunch as it disrupts the lunch session and camp flow (and your camper might be in a park or field that day for lunch).*
- **LUNCH OPTION!** Need a break from packed lunches? GRIT has partnered with Simply Gourmet to provide parents a healthy lunch option. Wholesome meal options with no artificial ingredients, no growth hormones, no trans fats, and limited GMOs - all packed in individual recyclable cardboard lunch boxes delivered daily for each student. You may choose to participate every day or choose individual days. Orders must be placed 3 days in advance of the day you want to receive lunch service. If you need last-minute changes, they will work to accommodate.

To place your order go to www.simplygourmetlunches.com
To receive text message reminders; text: simplygourmet to 77222

- **NUT FREE-** Please note that GRIT is a **nut-free environment** with some campers allergic, so please do not pack peanut butter or other nut-based snacks.
- **WATER BOTTLES-** We will provide water and ask that parents send their children with a **REFILLABLE WATER BOTTLE CLEARLY LABELED WITH THEIR NAME ON IT IN PERMANENT MARKER.**
- **LABELS-** Please label everything... even your camper! If an item is labeled it won't be lost. If it's not labeled, it might not find its way home... and maybe into our **Lost & Found.**
- **OUTDOORS-** Picnic tables will be set up each day outside for the campers to eat snacks and lunch if they are not on an adventure somewhere in Jersey City

WILL YOU APPLY SUN TAN LOTION TO MY CAMPER?

We ask that you liberally apply suntan lotion to your camper before camp. Once at camp, our coaches will help the Explorer campers and remind the Adventure campers at set times during the day to apply sunscreen before they go outdoors and throughout the day. For the younger campers, expect that this will be done on a regular schedule throughout the day and that we will help apply the lotion you have provided.

SKATEBOARDING- DO I NEED TO GET A SKATEBOARD & HELMET?

Skateboarding is a great way to improve balance and agility. Your camper will learn to skate at camp. Younger campers will have a session a few times a week, while older campers skate daily. Your camper does NOT need a skateboard, helmet, or pads. GRIT has all of the equipment needed. Campers can bring their own gear but please refer to our ONE backpack rule as a guide in terms of how they pack.
